

WHARF CHARGES ARE EXCESSIVE, COUNCIL IS TOLD

Policeman Simpson Resigns and Mr. James Morgan Is Elected to Succeed Him on Local Force.

City Council's regular semi-monthly meeting Thursday evening was a very uneventful affair.

Patrolman Murray Simpson's resignation was reported and was accepted by Council. Mr. James Morgan, who has served as a special policeman, was elected to succeed Mr. Simpson as a member of the local force.

Vice Mayor Davidson reported that there had been considerable complaint on charges being made by the Green Line for wharfage at the local wharf boat, some of these charges being higher than the prices fixed by franchise and he requested that the wharfage rates as adopted by the city be published in local newspapers that shippers might be advised as to the official rates to be charged.

It was ordered that Chief of Police James Mackey, now disqualified because of illness, be paid a patrolman's salary and that the chief of police's salary be paid to Acting Chief of Police Carl Carpenter.

The Laws and Ordinance Committee was authorized to draw and offer an ordinance fixing a time limit for the payment of salaries to officers who were off duty temporarily.

Attend the sale of City Property commencing at 1 o'clock Saturday the 23rd. With the R. L. Harney house on Commerce street, Col. H. C. Hawkins will start the sale promptly at 1 o'clock. All three of the pieces of property offered in this sale are well located and desirable.

After renovation of the interior of Ebenezer M. E. church, Aberdeen circuit, this old church on the hill, the re-opening services will be held on Sunday next, September 24, 1922.

The services will be of a distinctly special character, and will serve as a big reunion or home-coming celebration, to which all old members and citizens of the Ebenezer community are invited. All are requested to bring basket dinner along with them, to be served in the old-fashioned picnic style.

This is to be a great day in the history of this old church and community and everybody should try to be there.

MRS. RENAKER IN- DICTED WITH TWO FOR HUSBAND'S MURDER

Joint Indictment Returned Thursday by Clark County Grand Jury Charges Her With Complicity in Husband's Murder.

Winchester, Ky., Sept. 22.—"God knows I'm not guilty in any way in this horrible crime!" cried Mrs. Nancy Katherine Renaker when she was indicted late Thursday afternoon that a grand jury had returned a joint indictment charging Mrs. Renaker, Scott Hardman and Reese Fox with conspiracy and murder in connection with the death of her husband, Leon Renaker, wealthy "turkey king."

Judge Shackelford had adjourned court for the day when the indictment was filed with the clerk, and no bench warrant was issued for Mrs. Renaker. It is expected that she will be taken into custody today. Mrs. Renaker is represented by James M. Benton, former Circuit Judge, and Stephen T. Davis.

Hardman now is in jail and Fox is free on \$5,000 bail.

The date of the murder was fixed in the indictment as July 25. Renaker's body was found July 25 by Mrs. Renaker when she returned from a visit in Cincinnati.

Renaker carried more than \$50,000 insurance in favor of Mrs. Renaker.

The indictment was signed by William T. Baxter, Commonwealth's Attorney, and contained a list of the names of 50 witnesses.

One of the chief witnesses before the grand jury was Ora Slater, Cincinnati, private detective, who had been here since the Renaker murder.

MRS. POULIN DEFENDS HER HUSBAND ON WITNESS STAND

Merchant's Wife Furnishes Alibi for Her Husband Charged With Being the Father of Tiernan Child.

South Bend, Ind., Sept. 22.—Mrs. Mae Poulin, wife of Harry Poulin, who is charged by Mrs. Augusta Tiernan with being the father of her ten-months-old child, is expected to resume the stand when hearings in the case are taken up here today.

Taking the stand immediately after the state closed its case, Mrs. Poulin disputed previous testimony given by Mrs. Tiernan regarding the alleged relations between the latter and Mr. Poulin. Mrs. Poulin testified that on all of the occasions, with the exception of one, in which Mrs. Tiernan said Poulin was in her company, Mr. Poulin had accompanied her (Mrs. Poulin) to church. On that occasion, the witness said, Mr. Poulin was ill and had remained at home. The witness added that, contrary to Mrs. Tiernan's testimony, the latter had told her that there had been no break in the marital happiness between Prof. Tiernan and herself.

BRITISH READY FOR TURKS' RUSH ON NEUTRAL ZONE

English Mobilize Aircraft, Tanks and All Equipment to Stop Rush of Turkish Nationalists For the Straits.

Constantinople, Sept. 22.—Aircraft attacks probably will mark outbreak of actual hostilities between the British and Turks.

While the Turks are reported bringing up heavy artillery and hurrying shock troops from Syria toward the new front, the British have assembled powerful aircraft squadrons behind their lines and are ready to loose them the minute Mustafa Kemal's Nationalist forces cross the border of the neutral zone.

Tanks, armored cars and other fighting machines developed in the World War are being rushed to the near east.

The Moslems are assembling in great strength along the dead line, according to reports filtering back. British troops, backed by the guns of the fleet, are ready for any eventuality.

The British strength has been placed in three sectors, as follows: Chanak, Imdic Peninsula and at Constantinople.

MISSING EXPRESS MAN FOUND IN DAY COACH.

There was considerable excitement on the Maysville-Ashland local Friday morning when the train reached South Manchester. The express messenger was not in his car nor could he be found. He was last seen at Concord and the crew so reported. They were ordered to back the train to Concord and look for the missing man, it being thought that he had probably fallen from the car. The train had backed but a short distance when the Conductor discovered the express messenger sitting in the day coach wearing his citizens clothing and reading a newspaper. It was the messenger's first run.

COUNTY COURT.

In the Mason County Court Friday the inventory and appraisal of the estate of Katherine Jolly, deceased, was produced, filed and recorded.

The Maysville Cardinals will tour to Flemingsburg Monday, which is county court day of Fleming county, and stage an exhibition game with a club of that town. Their Saturday and Sunday games are with Cynthiana.

"Bill" Farnum has returned to the West Coast Studios and shortly will commence work there on "Without Compromise," a little red-blooded story of the west, under direction of Bennett J. Flynn. Before starting work on his new picture, Mr. Farnum demanded two weeks

HELPTHE OLD FOLKS

A Helping Hand Extended to Many Old People in Maysville.

The infirmities of age are many. Most old people have a bad back. The kidneys are often weak. Or worn out with years of work. Backache means days of misery. Urinary troubles, nights of unrest. Doan's Kidney Pills have helped to make life easier for many.

The year doing so for old and young. Maysville people are learning this. Read the following local endorsement: Charles Kennan, retired farmer, 81 Wood street, Maysville, says: "I have used Doan's Kidney Pills several different times within the last few years and never had them fail to do me good. My kidneys were in bad shape. The secretions were unnatural and burned terribly in passage. My back kept me in misery during the time the attack lasted and I was feeling generally run down. I went to Wood & Son's Drug Store and got a couple of boxes of Doan's Kidney Pills and began using them. Doan's reached my case at once and cured me up in good shape. I have always relied upon Doan's since and a few now and then regulate my kidneys and keep them in good condition." Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Kennan had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

vacation wherein to fish. The veteran Fox star is no wat Catalina Island, and already has two big broad-bill sword fish to his credit.

Between pictures, Dustin Farnum, like his brother, William, spends most of his time on the water. His famous power-boat, "Miss Los Angeles II," credited with being the fastest ocean-going speed craft in the world, has done sixty-four miles an hour in rough water. On July 4th, while in a regatta off San Pedro, racing in a heavy sea, the craft shipped water and would have sunk with all on board, had not a steam yacht passed a line and towed the boat to safety.

The wonderful scenic beauties of the Yosemite Valley will be given remarkable visualization in the picture "The Yosemite Trail," just completed by Dustin Farnum, and directed by Bernard Durning. The photography by Don Hume is unusually beautiful. Many of the important sequences of the picture were shot in the famous canyons of the Yosemite. Irene Rich plays the lead opposite Mr. Farnum.

recently completed, pronounce it not only the greatest of all Mix pictures, but in addition, claim for it the distinction of being the most wonderful animal story ever filmed. Tony, the famous Mix cowpony, plays the title role and easily earns stellar honors. As long as his big horse and he himself trained Tony, Tom says he is willing to let the pony be the star and himself but a humble member of the cast.

Admirers of Tom Mix in Comedy will be given laughs and thrills aplenty when they see his latest picture "Blood Will Tell!" In it, Tom revives the ancient glories of Kit Carson and Daniel Boone days, dragging in a Central American revolution for good measure. Ed Sedgwick directed.

CHOIR SINGER POPULAR

AMONG WIRELESS FANS

Among the most popular radio singers of the Middle West is Miss Louise Koetter, whose marvelously beautiful contralto voice has been heard many times during the past six months by the thousands of persons who "listen in" when the Crosley Manufacturing Company, of Cincinnati, Ohio, is operating its broadcasting station, the call letters of which are W. L. W.

Miss Koetter is a member of the famous choir of the Church of the Covenant, Cincinnati, and has taken leading parts in many concerts conducted in and near that city. She sang the night the Crosley station was

SLASHED IN THROAT.

Vanceburg, Ky., Sept. 21.—E. G. Bronson, formerly a policeman at Covington, today was receiving treatment for knife wounds in the throat said to have been inflicted Wednesday at Concord, near here, by Charles Coombs, a telegraph operator for the Chesapeake & Ohio Railroad Company. Coombs is reported to have leaped onto the running board of an automobile driven by Bronson and made the attack, the victim finally being successful in an effort to kick the aggressor from the car.

The two men had been close friends, but Coombs is said to have gained the belief that Bronson was attempting to get his position and made the attack while temporarily unbalanced.

SECRET OF A GOOD DISPOSITION.

A woman who carefully safeguards her health benefits her disposition. She will be happy and attractive to all. The world unfortunately is filled with sweet women who are unhappy because they are held back from usefulness by troubles so common among them. Fretfulness and nervousness rapidly destroy good dispositions. Sickly, all-won-out women cannot make happy homes.

Lydia E. Plunkham's Vegetable Compound is a safeguard of women's health. This is clearly proven by the many letters we are continually publishing in this paper, from women who have been restored to health and happiness by its use after years of suffering. Why don't you try it?

WICKER FURNITURE

Wicker Furniture is enjoying a tremendous vogue, and rightly so. Originally used almost entirely during the summer, its beauty and comfort were so appealing that women of good taste gradually introduced charming pieces of reed and fibre into different rooms in the house for use all the year around. Now, a few well chosen pieces of Wicker Furniture are considered indispensable in the modern home. It is light in weight and the many beautiful finishes in Wicker can now be had with charming color contrasts in upholstery of cretonne or tapestry. In our showing you will find all the new designs very moderately priced.
